

5 Questions to Ask Your Workers' Comp Provider During COVID-19

1.) DO YOU PROVIDE BILLING LENIENCY?

If your workers' comp provider is willing and able, they may allow you to postpone some or all of your payments.

2.) WILL YOU ACCEPT A GOOD-FAITH DEPOSIT?

A good-faith deposit is essentially a “down payment” that allows you to continue your coverage without making the full premium payments for an agreed-upon amount of time.

3.) WHAT HAPPENS IF I HAVE A LAPSE IN COVERAGE?

Small businesses that have a lapse in workers' compensation coverage will likely find it difficult to regain future coverage at a similar cost.

4.) WHAT IF I NOW HAVE FEWER EMPLOYEES ON PAYROLL?

If you had to lay off some or all of your employees during the COVID-19 pandemic, you may be able to lower your workers' comp premiums.

5.) WHAT ARE OTHER WAYS YOU'RE HELPING CUSTOMERS?

The answer to this question might just surprise you—and, hopefully, make a huge difference in the road to recovery for your business.
