

6 WAYS TO SAVE ON WORKERS' COMP

1

Shop around

Compare rates among insurance providers or work with an agent.

2

Know your codes

Ensure your employees are properly classified by class code.

3

Update payroll

Confirm your provider has accurate payroll information.

4

Prioritize safety

Hold regular training and workplace safety inspections.

5

Submit on time

Hit deadlines for workers' comp notification and claim forms.

6

Stay vigilant

Keep an eye out for fraudulent workers' comp claims.
